

## RFQ Application Worksheet Rev 1. 10.29.2013

### Company and Contact Information

Date:		Company:	
Sales/Rep:		Address:	
Project Name:		Website:	
Project Contact:		Phone:	
E-Mail:			

### Product Information

Market Segment:	
Reason for Request:	

### Application Notes:

### Customer Specification

Mechanical:		Electrical:	
-------------	--	-------------	--

### Quotation Timeline

Est. Annual Quantity:		Target Price:	
Need By Date:		Samples:	
Qualification Timeline:		Production:	

### Battery Requirements

Chemistry:			
Nominal Voltage Load:		Maximum Voltage:	
Minimum Voltage Load:		Cut-off Voltage:	
Avg. Load Current:		Max. Load Current:	
Load Duration:		Load Duration:	
Operating Temp. Range:		Storage Temp:	
Expected Run Time:		Capacity: (Begin & EOL)	
Cycle Life:		Usage:	
Fuel Gauge:		Fuel Gauge Display:	
Cell Balancing:		Thermistor:	
Protection Circuit:		Secondary Protection:	
Communication Protocol:			
Other:			
Battery Dimensions:	Length:	x Width:	x Height/Thickness:
Connection Type:			
Weight:			
Case Material:			

### Charger Information

Type:			
Method:		Time:	
Max. voltage:		Max. current:	
Termination:		Temperature range:	

### Agency Approvals

ITAR:		UL Certification:	
UN/DOT:		CE Certification:	
ROHS:		Other:
